

Naming Opportunities

As of May 22nd, 2020

Naming an area of Rancho Alegre is an excellent way to perpetuate the name of an individual, a family, a business, or an organization as a legacy. Named gifts are a meaningful way to honor, recognize and memorialize loved ones. In addition to acknowledgment on facilities or areas, donors of **\$5,000** and above will be recognized on a Donor Wall located prominently at the camp.

**The gift amount is an indication of the commemorative value, and not the cost of construction. Donors will be offered a selection of naming opportunities based on the amount and date of their gift commitment. These naming opportunities may be granted to individuals, families, foundations, corporations and other business entities, service clubs or other charitable organizations.*
